

Condolences

The Board, Management and Staff of Botswana Housing Corporation joins the nation in mourning the passing of a

Great Statesman and a Nation Builder, Sir Ketumile Masire.

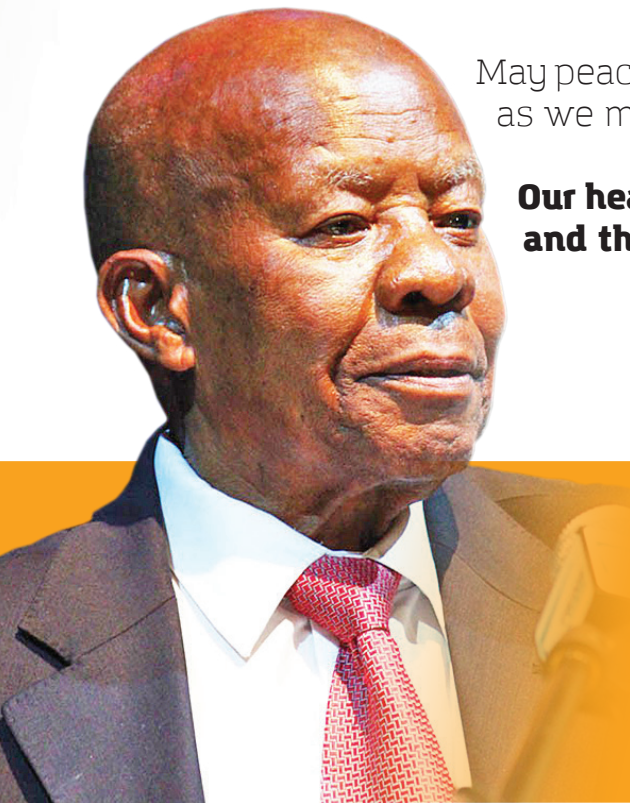

Sir Ketumile Masire will be remembered for the legacy that he has left behind. His legacy includes distinguished Public Service having led Botswana to attain a middle income status as well as brokering peace deals in the African Continent. We pray that this legacy endures and is embraced by all Batswana.

The passing of Sir Ketumile Masire has left a big gap in Botswana and the whole of Africa. His gentleness, honesty and unassuming character will be missed among Batswana and the International Community.

May peace and calm prevail among all Batswana as we mourn this Great Statesman.

Our heartfelt condolences go out to his family and the nation during this time of sadness.
